RE: MOD006290803

Dear Mr. Gettinger:

Thank you for your prompt response to our request for clarification of your status in the Federal Resource Conservation and Recovery Act (RCRA) program.

Based on your request and our inspection of your facility, we are changing your status to non-regulated under the Federal RCRA program. Your identification number is being cancelled.

If your process should change, or if you have any questions, please feel free to contact Mrs. Betti Harris of my staff at 816-374-6534.

The action described in this letter pertains only to the Federal RCRA system and does not dismiss you from the necessity to comply with the Missouri Solid and Hazardous Waste Laws and Regulations, 260.200 - 260.240 RSMo and 260.350 - 260.430 RSMo respectively. If you have any questions concerning this, please contact the Waste Management Program of the Department of Natural Resources at 314-751-3241
